The Center for Faculty Innovation
Advisory Committee
December 9, 2011 Meeting Minutes

Present: Robert Bell, Kelly Brotzman, Ricardo Marquez, Liv Newman, Elizabeth Parent, Brad Petitfils, Karen Reichard, Malia Willey

1) It has been recommended that “critical thinking assignments” be vetted by this committee prior to being posted on the CFI website. The assignments should be searchable by discipline, type of course, level of course, and learning outcomes. The webpage needs to be connected to a program such as Google Analytics so that hits can be tracked. This “Idea Bank” should be available to the world.

2) It was decided that a Master Teaching Mentor event should be held the Friday before the Superbowl.
