Re: Continuing Legal Education Report to the Visiting Committee

New for the Institute in 2009-2010 has been the addition of on-line programming. Loyola CLE has partnered with Periaktos Productions to bring four ethics and professional programs to our regular line up of course offerings. The rules for MCLE in Louisiana allow for obtaining four of the required twelve and a half credits annually in an electronic format.

The Institute continues its long working relationship with the U.S. Department of Labor. The Annual Longshore Conference in March had record numbers in attendance. On May 7th we will travel to Houston to provide “A Day with the Department of Labor” course working with the District Director of the Houston office of OWCP.

Suggestions from members of the Visiting Committee for CLE topics or speakers are always welcome. Visiting Committee members are welcome to view evaluation summaries of any of the courses offered by the Institute.
