Your status for financial aid as an Independent student is based solely on your answer to the question on the FAFSA regarding your status as an **“Emancipated Minor”**. Loyola University New Orleans requires that you submit legal documentation verifying that situation.

An **emancipated minor** is a child who has been granted the status of adulthood by a **court order** or other formal arrangement. You must provide a copy of the **court order** that granted you this status. The court must be in your state of legal residence at the time the court's decision was issued.

To verify your status as an **Emancipated Minor**, you must submit a copy of the **court order** that granted you this status before you reached the age of being considered as an adult in the eyes of the law in your state.

Please submit this documentation to our office as soon as possible so that we may continue the processing of your award. Attach this form as a cover letter,
