- ◆ Grants and scholarships are usually sent to your school
- ◆ Work-study is paid after you work

■ Reapply each year

- ◆ Most financial aid awards are considered “new” each school year, so you’ll need to submit the FAFSA each year.

Be Careful to Avoid Scholarship Scams

"The scholarship is guaranteed or your money back."

"You can't get this information anywhere else."

"I just need your credit card or bank account number to hold this scholarship."

"We'll do all the work."

"The scholarship will cost some money."

"You've been selected by a 'national foundation' to receive a scholarship" or "You're a finalist" in a contest you never entered
