The Eligibility Waiting Period is the period of time you must be in Active Service to be eligible for coverage. Your Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired, you must satisfy a new Eligibility Waiting Period. TL-004710

WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to any occupation for your Employer on a Full-time basis.

TL-004712

WHEN COVERAGE ENDS

Your insurance ends on the earliest of the dates below.

1. The date you are eligible for coverage under a plan intended to replace this coverage.
2. The date the Policy is terminated.
3. The date you no longer qualify under your Class Definition.
4. The day after the period for which premiums are paid.
5. The date you are no longer in Active Service.

TL-004714

WHEN COVERAGE CONTINUES

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends because you take an Employer approved unpaid family medical leave of absence, we will continue your insurance for up to 12 weeks if the required premium is paid.

If your insurance continues and you become Disabled during the leave of absence, Disability Benefits will not begin until you satisfy your Benefit Waiting Period, or the date you are scheduled to return to Active Service, if later.

TL-004716

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

If you become Disabled, as we define the term in the Definitions section, while you are covered under the Policy, we will pay you Disability Benefits. After you are Disabled, you must satisfy the Benefit Waiting Period and be under the Appropriate Care of a Physician. Also, we ask you to provide us with satisfactory proof of your Disability, at your expense, before benefits will be paid.

We will require continued proof of your Disability for benefits to continue.

Benefit Waiting Period

The Benefit Waiting Period is the period of time you must be continuously Disabled before Disability Benefits may be payable. Your Benefit Waiting Period is shown in the Schedule of Benefits.

We will not require you to satisfy the Benefit Waiting Period if benefits were payable to you under a Prior Plan on the Policy Effective Date and you return to Active Service within 6 months after this date. Your return to Active Service must be for more than 14 consecutive days but less than 6 months. Your later period of Disability must be caused by the same or related causes for your Benefit Waiting Period to be waived.

Trial Work Days

Under this plan, you can attempt to return to Active Service without having to start a new Benefit Waiting Period if you cannot continue working, provided you have not worked for more than the specified number of days. A period of Disability is continuous even if you can return to Active Service for up to 30 days during the Benefit Waiting Period. Your Benefit Waiting Period will not be extended by the number of days you returned to Active Service during this period.

Termination of Your Disability Benefits

Your Disability Benefits will end on the earliest of the dates listed below.

1. The date you earn more than the percentage of your Indexed Covered Earnings which is used to determine if you are Disabled
2. The date we determine you are no longer Disabled
3. The date the Maximum Benefit Period ends
4. The date you die
5. The date you refuse to participate in rehabilitation efforts as required by us
6. The date you are no longer receiving Appropriate Care

Successive Periods of Disability

Once you are eligible to receive Disability Benefits under the Policy, separate periods of Disability resulting from the same or related causes are a continuous period of Disability unless you return to Active Service for more than 6 consecutive months.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes, or your later Disability occurs after your coverage under the Policy ends.

The Successive Periods of Disability provision will not apply if you are eligible for coverage under a plan that replaces the Policy.

Mental Illness, Alcoholism and Drug Abuse Limitation

We will pay Disability Benefits on a limited basis during your lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 24 monthly Disability Benefits have been paid, no further benefits will be payable for any of the following conditions.

1. Alcoholism
2. Anxiety disorders
3. Delusional (paranoid) disorders
4. Depressive disorders
5. Drug addiction or abuse
6. Eating disorders
7. Mental illness
8. Somatoform disorders (psychosomatic illness)

If, before reaching the lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against the lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Pre-Existing Condition Limitation

We will not pay Disability Benefits if your Disability is caused or contributed to by, or results from, a Pre-Existing Condition. A "pre-existing condition" is any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a physician within 3 months before your most recent effective date of insurance.

The Pre-Existing Condition Limitation will apply to any added benefits or increases in benefits. It will not apply to a period of Disability that begins after you are in Active Service for at least 12 months after your most recent effective date of insurance, or the effective date of any added or increased benefits.

We will not apply the Pre-Existing Condition Limitation to your Disability if you were covered under your Employer's Prior Plan and satisfied the pre-existing condition of that plan. This is true only for the amount of benefit covered under that prior plan. If you were covered under your Employer's Prior Plan, but did not fully satisfy the pre-existing condition limitation of that plan, we will credit you for any time you did satisfy. If you are now covered for benefits in excess of your Prior Plan coverage, the Pre-Existing Condition Limitation will apply to the excess amount.

Time will not be credited toward this limitation for any day you are not actively at work due to your Injury or Sickness. We will extend the limitation by the number of days you are not actively at work due to your Injury or Sickness.

Disability Benefit Calculation

Your Disability Benefit for any month Disability Benefits are payable to you is shown in the Schedule of Benefits. We base our calculation of Disability Benefits on a 30 day period. Benefits will be prorated if payable for any period less than a month.

Work Incentive Benefit

For the first 24 months you return to work your Disability Benefit is as defined in the Schedule of Benefits. If, for any month during this period, the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 100% of your Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

After 24 months, your Disability Benefit is as shown in the Schedule of Benefits, reduced by 50% of your current earnings received during any month you return to work. If the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 80% of your monthly Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

No Disability Benefits will be paid if we determine you are able to work under a Transitional Work Arrangement or other modified work arrangement, and you refuse to do so.

Current earnings include any wage or salary you earn for work performed while Disability Benefits are payable. If you are working for another employer on a regular basis when your Disability begins, your current earnings will include any increase in the amount you earn from this work during the period for which Disability Benefits are payable.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Other Income Benefits

While you are Disabled, you may be eligible to receive benefits from other income sources. If so, we may reduce the Disability Benefits payable to you under the Policy by the amount of these Other Income Benefits. The extent to which Other Income Benefits will reduce your Disability Benefits is shown in the Amounts of Insurance section of the Schedule of Benefits.

Other Income Benefits include:

1. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under:
 - a. the Canada and Quebec Pension Plans;
 - b. the Railroad Retirement Act;
 - c. any local, state, provincial or federal government disability or retirement plan or law as it pertains to your Employer;
 - d. any sick leave plan of your Employer;
 - e. any work loss provision in mandatory "No-Fault" auto insurance;
 - f. any Workers' Compensation, occupational disease, unemployment compensation law or similar state or federal law, including all permanent as well as temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
2. any Social Security disability benefits you or any third party receive (or are assumed to receive*) either on your behalf or for your dependents; or, if applicable, which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any retirement plan benefits funded by your Employer. "Retirement plan" means any defined benefit or defined contribution plan sponsored or funded by your Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any Employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If there is other insurance that applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts paid on account of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.
6. any wage or salary for work performed. If Work Incentive Benefits apply to you, we will only reduce your Disability Benefits to the extent provided under your Work Incentive Benefit.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law on account of your entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

After we make the first deduction for any Other Income Benefit (except wage or salary), we will not reduce your Disability Benefits further during that period of Disability due to any cost of living increase in the Other Income Benefit.

Lump Sum Payments

Other Income Benefits or earnings that are paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated monthly over a five-year period.

If no specific allocation of a lump sum payment is made, we will assume the total payment is an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you or your dependents, if applicable, are receiving Other Income Benefits if you may be eligible for them. We will estimate the amount of these assumed benefits on the basis of what you may be eligible to receive and reduce your Disability Benefits as if you actually received them.

Except for any wage or salary for work performed while Disability Benefits are payable, we will not assume your receipt of Other Income Benefits if you give us proof of the following events.

1. Application was made for these benefits.
2. Reimbursement Agreement is signed by you.
3. Any and all appeals were made for these benefits, or we have determined further appeals will not be successful.
4. Payments were denied.

We will not assume you have received, nor will we reduce your Disability Benefits by, any elective, actuarially reduced, or early retirement benefits under such laws until you actually receive them.

Social Security Assistance

We will, at our own discretion, assist you in applying for Social Security Disability Income (SSDI) benefits. Disability Benefits will not be reduced by your assumed receipt of SSDI benefits while you participate in the Social Security Assistance Program.

We may require you to file an appeal if we believe a reversal of a prior decision is possible. If you refuse to participate in, or cooperate with, the Social Security Assistance Program, we will assume receipt of SSDI benefits until you give us proof that you have exhausted all the administrative remedies available to you.

Minimum Benefit

We will pay the Minimum Benefit regardless of any reductions made for Other Income Benefits. However, if there is an overpayment due, this benefit may be reduced to recover the overpayment.

Recovery of Overpayment

If we overpay your benefits, we have the right to recover the amount overpaid by either requesting you to pay the overpaid amount in a lump sum or by reducing any amounts payable to you by the amount due. If there is an overpayment due when you die, we will reduce any benefits payable under the Policy to recover the overpayment.

TL-004771

ADDITIONAL BENEFITS

Rehabilitation During A Period of Disability

If you are Disabled and we determine that you are a suitable candidate for rehabilitation, you may participate in a Rehabilitation Plan. We must agree on the terms and conditions of the Rehabilitation Plan.

We may require you to participate in a rehabilitation assessment, at our expense, and/or Rehabilitation Plan. We will work with you, your Employer, your Physician and others as appropriate, to develop a Rehabilitation Plan. If you refuse to participate in the rehabilitation efforts, Disability Benefits will not be payable.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

A "Rehabilitation Plan" is a written agreement between you and us in which we agree to provide, arrange or authorize vocational or physical rehabilitation services.

TL-005105

Conversion Privilege

If your insurance ends because you are no longer employed by the Employer, or you are laid off or on an uninsured leave of absence, you may be eligible for long term disability conversion insurance. To be eligible, you must have been insured for Disability Benefits and actively at work for at least 12 months. You must apply for conversion insurance within 62 days after your insurance ends.

The benefits of the conversion plan will be those benefits offered at the time you apply. The premium will be based on the rates in effect for conversion plans at that time.

You may not convert your insurance if any of the following conditions apply to you.

1. You are retired or age 70 or older.
2. You are not in Active Service because of Disability.
3. The Policy is canceled for any reason.

TL-005100

Pension Contribution Benefit

We will pay a Pension Contribution Benefit of 5% of your Covered Earnings to your Employer's pension plan if you are Disabled. We will pay up to a Maximum Monthly Pension Benefit of \$10,000. These Pension Contribution Benefits will begin and end at the same time as your Disability Benefits.

TL-005103

Survivor Benefit

We will pay a Survivor Benefit if you die while Disability Benefits are payable to you for a continuous period of Disability. The Survivor Benefit will equal 100% of the sum of the last full Disability Benefit payable to you plus any current earnings by which the Disability Benefit was reduced for that month. A single lump sum payment equal to 3 monthly Survivor Benefits will be payable.

We will pay the Survivor Benefit to your Spouse. If you do not have a Spouse, we will pay your surviving Children in equal shares. If you do not have a Spouse or any Children, we will pay your estate.

"Spouse" means your lawful spouse. "Children" means your unmarried children under age 21, or under age 25 if enrolled in a school as a full-time student, who are chiefly dependent upon you for support and maintenance. The term includes a stepchild living with you at the time of your death.

TL-005107

WHAT IS NOT COVERED

We will not pay any Disability Benefits for a Disability that results, directly or indirectly, from:

1. suicide, attempted suicide, or whenever you injure yourself on purpose.
2. war or any act of war, whether or not declared.
3. serving on full-time active duty in any armed forces. If you send proof of military service, we will refund the portion of the premium paid to cover you during a period of such service.
4. active participation in a riot.
5. commission of a felony.
6. revocation, restriction or non-renewal of your license, permit or certification necessary to perform the duties of your occupation unless due solely to Injury or Sickness otherwise covered by the Policy.

We will not pay Disability Benefits for any period of Disability during which you:

7. are incarcerated in a penal or corrections institution.
8. are not receiving Appropriate Care.
9. fail to cooperate with us in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit due.
10. refuse to participate in rehabilitation efforts as required by us.
11. refuse to participate in a Transitional Work Arrangement or other modified work arrangement.

A Transitional Work Arrangement means any work offered to you by the Employer, or an affiliated company while you are Disabled and which may be your own occupation or any occupation. The term includes but is not limited to reassigned duties, work site modification, flexible work arrangements, job adaptation, or special equipment.

TL-004772

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania, or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements may be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof that the loss continues, or proof by any other electronic/telephonic means authorized by us, must be furnished to us at intervals we require. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to us.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable

Disability Benefits will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, we may, at our option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to any of your following living relatives: your spouse, your mother, your father, your children, your brothers or sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

For plans subject to the Employee Retirement Income Security Act (ERISA), the Plan Administrator of your Employer's employee welfare benefit plan (the Plan) has appointed us as the Plan fiduciary under federal law for the review of claims for benefits provided by this Policy and for deciding appeals of denied claims. In this role we shall have the authority, in our discretion, to interpret the terms of the Plan documents, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by us in this capacity shall be final and binding on Participants and Beneficiaries of The Plan to the full extent permitted by law.

We have no fiduciary responsibility with respect to the administration of The Plan except as described above. It is understood that our sole liability to the Plan and to Participants and Beneficiaries under The Plan shall be for the payment of benefits provided under this Policy.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Reinstatement of Insurance

Your coverage may be reinstated if your insurance ends because you are on an Employer approved unpaid leave of absence or termination of employment has occurred. Your insurance may be reinstated only if reinstatement occurs within 6 months from the date it ends due to an Employer approved unpaid leave of absence or termination of employment.

For your insurance to be reinstated the following conditions must be met.

1. You must qualify under the Class Definition.
2. The required premium must be paid.
3. A written request for reinstatement and a new enrollment form for you must be received by us within 31 days from the date you return to Active Service.

Your reinstated insurance is effective on the date you return to Active Service. If you did not fully satisfy your Eligibility Waiting Period or Pre-Existing Condition Limitation (if any) before your insurance ended due to an unpaid leave of absence or termination of employment, you will receive credit for any time that was satisfied.

TL-004722

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for insurance.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

TL-004728

Covered Earnings

Covered Earnings is based on your annual academic contract as reported by the Employer for work performed for the Employer as in effect just prior to the date your Disability begins. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

Full-time

Full-time means the number of hours set by the Employer as a regular work day for Employees in your eligibility class.

Indexed Covered Earnings

For the first 12 months Monthly Benefits are payable, your Indexed Covered Earnings are equal to your Covered Earnings. After 12 Months Monthly Benefits are payable, your Indexed Covered Earnings are your Covered Earnings plus an increase applied on each anniversary of the date Monthly Benefits became payable. The amount of each increase will be the lesser of:

1. 10% of your Indexed Covered Earnings during your preceding year of Disability; or
2. the rate of increase in the Consumer Price Index (CPI-W) during the preceding calendar year.

Injury

YOUR RIGHTS AS SET FORTH BY ERISA

As a Plan participant, ERISA gives you certain rights and protection. To ensure the protection of these rights, ERISA requires any person or entity who is responsible for the operation of the Plan to administer the Plan in a fiduciary capacity. This means that this person, or entity, must act prudently and with the sole purpose of the Plan participants in mind.

If you request, the Plan Administrator must:

- a. Allow you to examine, without charge, at the Plan Administrator's office, all Plan documents including insurance contracts, collective bargaining agreements and copies of all documents filed by the Plan with the U.S. Department of Labor, such as, annual reports and Plan descriptions.
- b. Provide you with Plan documents and other Plan information. Any request you make for this information must be in writing to the Plan Administrator. There may be a reasonable charge for the copies.
- c. Provide you with a summary of the Plan's annual financial report. (On certain plans, the law requires the Plan Administrator to provide you with this information.)

Unless there are reasons beyond the Plan Administrator's control, materials you request should be received within 30 days. If you do not receive these materials within that time, you may file suit in a federal court. The court may require the Plan Administrator to pay you up to \$110 for each day the material is delayed.

No one, not even your employer, may fire you or discriminate against you in order to prevent you from obtaining a benefit or exercising the rights you have under ERISA.

You may file suit in a federal or state court if any of the following situations arise:

- a. You believe you have been improperly denied a benefit, in whole, or in part.
- b. You believe the Plan fiduciaries are misusing Plan funds.
- c. You believe you have been discriminated against for asserting your rights. (In this case, you may file suit in court or request assistance from the U.S. Department of Labor.)

The court will decide who should pay court costs and legal fees. If you win your case, the court may order the person you have sued to pay the costs and fees. However, if you lose, or if the court finds that your suit is frivolous, you may be required to pay the costs and fees.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. You must complete your claim according to directions provided by the Insurance Company. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Insurance Company has 45 days from the date it receives your claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Policy. The Insurance Company may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Insurance Company must notify you in writing that its review period has been extended for up to two additional periods of 30 days (in the case of a claim for disability benefits), or one additional period of 90 days (in the case of any other benefit). If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify you of the date and time of the examination and the physician=s name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Insurance Company must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Insurance Company.

If your claim is denied, in whole or in part, you must receive a written notice from the Insurance Company within the review period (or within 75 or 105 days if the review period was extended). The Insurance Company=s written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for your claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit, identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, as outlined below.

Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written request for appeal to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Insurance Company, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Insurance Company has 60 days from the date it receives your request to review your claim and notify you of its decision (45 days, in the case of any claim for disability benefits). Under special circumstances, the Insurance Company may require more time to review your claim. If this should happen, the Insurance Company must notify you, in writing, that its review period has been extended for an additional 60 days (45 days in the case of any claim for disability benefits). Once its review is complete, the Insurance Company must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

WHO YOU SHOULD CONTACT IF YOU HAVE QUESTIONS ABOUT THE PLAN

If you have any questions about the Plan, contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefit Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

While ERISA requirements are established by federal law and regulation, Loyola University New Orleans has always attempted to provide its employees with welfare benefit plans that meet the same high standards imposed by the law. We are pleased that the law will enable better application of these standards.
