

VSP Signature PlanSM

Beginning July 1, 2009, we're enhancing our premier full-service, VSP Signature Plan, to provide your members even more choice and flexibility when they see a VSP Network Doctor. Our new features will help keep money in your member's wallets while providing more freedom for them to choose the eyewear that's right for them.

Value-added Enhancements	<ul style="list-style-type: none"> • 30% off unlimited additional pairs of prescription glasses¹ • 30% off unlimited non-prescription sunglasses¹ • New and current contact lens wearers are eligible for a covered in full² contact lens evaluation and initial supply of approved lenses, including toric, multifocal, and hydrogel lenses.
---------------------------------	---

Plan Coverage

WellVision Exam [®]	<ul style="list-style-type: none"> • Thorough eye exam covered in full
Lenses	<ul style="list-style-type: none"> • Glass or plastic, single vision, lined bifocal or lined trifocal prescription lenses are covered in full • Cost controls on all lens options, saving our members an average of 35-40% • Dependent children of members are eligible for covered in full polycarbonate prescription lenses
Frames	<ul style="list-style-type: none"> • Frames are covered in full up to the retail allowance • 20% off any amount exceeding allowance
Contact Lenses	<ul style="list-style-type: none"> • 15% off contact lens services, excluding materials • Instead of eyeglasses, elective contact lens services and materials are covered in full up to plan allowance toward any type of prescription contact lenses • Necessary contact lenses are covered in full for members who have specific conditions for which contact lenses provide better visual correction

Value-added Benefits

Laser VisionCare Program SM	<ul style="list-style-type: none"> • VSP-contracted laser centers provide discounts for laser surgery including PRK, LASIK, and Custom LASIK • Discounts average 15% off or 5% off if the laser center is offering a promotional price • Members who've had PRK, LASIK, or Custom LASIK vision correction surgery can use their frame benefit for sunglasses, instead of a prescription pair of glasses
Low Vision	<ul style="list-style-type: none"> • With pre-approval from VSP, low vision supplemental testing is covered every two years • VSP will pay 75% of the cost for approved low vision aids, up to the maximum of \$1,000 (less any amount paid for supplemental testing) per member every two years

¹ 30% discount applies to glasses purchased the same day as the member's eye exam from the same VSP doctor who provided the exam. Members will also receive 20% off unlimited additional pairs of glasses valid through any VSP doctor within 12 months of the last covered eye exam.

² If the member selects a lens from a price tier that is above their allowance they may pay the difference between their allowance and the tier price. If the member selects a lens from a price tier that is below their allowance they may apply the remaining allowance balance toward additional contact lenses. Some members may require additional premium services when being fitted for contact lenses. VSP doctors will determine if a member is qualified for this program.
