Exit Survey Table

College of Music
Results by Department
Fall 2002 – Spring 2003

List of Departments where no Graduate Exit Survey was received:

1. Piano Pedagogy

The number of respondents differs from the actual number of surveys received due to double majors counting as a respondent for each major.

College of Music – Exit Survey Results
2002 – 2003 Academic Year

Frequencies, means, percentages, and standard deviations are presented for the question on the Senior Exit Survey by college. Frequencies and percentages are given for all response categories including “does not apply”. Means and standard deviations are calculated only for response categories with meaningful numerical values. Numerical values for response categories are given in parentheses in the tables below. Results were produced by the Office of Institutional Effectiveness and Assessment, MA 301, Box 91, 865-3126.
