

Calculating the Bottom Line

The following worksheet will help you calculate your total charges, which include tuition, fees, residence hall and board plan. In order to accurately calculate the total credited amount derived from your financial aid, please refer to your Financial Aid Notification (FAN).

COST WORKSHEET

CHARGES:	FALL	SPRING	ANNUAL TOTAL
Tuition	_____	_____	_____
Fees	_____	_____	_____
Residence Hall	_____	_____	_____
Board Plan	_____	_____	_____

(1) TOTAL CHARGES

CREDITS:	FALL	SPRING	ANNUAL TOTAL
Deposits and Payments	_____	_____	_____
Scholarships	_____	_____	_____
Grants	_____	_____	_____
Loans*	_____	_____	_____
Work Study**	_____	_____	_____

(2) TOTAL CREDITS

* Remember to deduct the 3% origination fee from all direct loans.

** Only include as much of the work-study award as the student plans to earn and deposit to the tuition account.

To calculate the amount you owe, bring forward total charges from item (1) above and total credits from item (2) above. The difference is the amount you owe (3). This amount may be budgeted through one of the monthly payment plans.

NET CALCULATIONS	FALL	SPRING	ANNUAL TOTAL
Total Charges (1)	_____	_____	_____
Less:			
Total Credits (2)	_____	_____	_____

(3) Amount You Owe
