I hereby acknowledge the following:
- I have received the Statement of Deficiencies that was left on-site.
- I have been informed that I may submit a written response to these deficiencies, including plans for correction.
- I understand that if these deficiencies are not corrected, it could affect the licensing status of this facility and/or place the children in danger. A follow-up survey may be conducted to determine that corrections have been made. If corrections are not made and maintained in a manner consistent with the minimum standards, this facility will be referred to the appropriate advisory board for denial, revocation or non-renewal of the license. If this facility has been cited for these deficiencies, this facility may be referred to the appropriate committee without further follow-up visits. A facility that operates without a valid license, or in violation of licensing regulations, is subject to legal action including fines and/or injunctive relief.
