

6th Annual Calculus Competition
Friday, January 29, 4:00 - 5:30 pm
Place: TBA
New Format: GROUP Competition

Two levels of competition: Calc I and Calc I / Calc II.

Eligibility: Any Loyola student who has taken calculus.

New format: Students will participate in groups of 2 or 3.

Winners: Selected from each level.

1st prize: \$50 for each member of the winning group.

2nd prize: \$30 for each member of the winning group.

Register with Dr. Maria Calzada calzada@loyno.edu or Dr. Katarzyna Saxton saxton@loyno.edu, or simply show up. Include your major and calculus level.

*****Free food will be provided at the competition!*****

To award the full set of prizes, there should be at least 3 competing groups in each category, obtaining scores of at least 50%.

Organized by Pi Mu Epsilon (math club).
Sponsored by the departments of Biology,
Chemistry, Mathematical Sciences, Physics,
Psychology, HNS Dean's Office and the
National Pi Mu Epsilon Chapter.
