COMMITTEE DESCRIPTIONS

Awards & Fundraising Committee

The purpose of this committee is to select the recipients of the Alumni Association Graduation Awards for each of the university's five colleges (Arts & Sciences, Business, Law, Music + Media, Nursing & Health). The committee will accomplish this by reviewing the application each year before it is sent out to students, suggesting edits, ensuring it goes out to students in a timely manner, helping to promote it to students, reviewing the applications, interviewing applicants, and finally selecting the winners of the awards.

In the Spring the work of this committee shifts to focus on fundraising in support of Loyola Loyol Day. Loyola Loyol Day is the university's day of giving. Committee members are expected to recruit Loyola Loyol Advocates who will share and promote messaging around Loyola Loyol Day in an effort to increase participation by alumni and ultimately raise money for the Loyola Fund.

Chapters Committee

This committee will help ensure that various alumni chapters receive the resources necessary to host alumni chapter events in various cities. During the 2022-2023 year the committee will focus on the following chapters: Atlanta, Boston, Chicago, Dallas, Denver, Houston, Miami, NYC, and Washington, D.C.

Events Committee

This committee will focus on planning external events (as opposed to Loyola events on campus). These events include, but are not limited to, a Blessing of the Pets on October 2, 2022; Wolves on the Prowl on November 12, 2022; Alumni Reunion Weekend on March 17-19, 2023, and a virtual cooking class (date TBD).

Loyola Ambassadors Committee

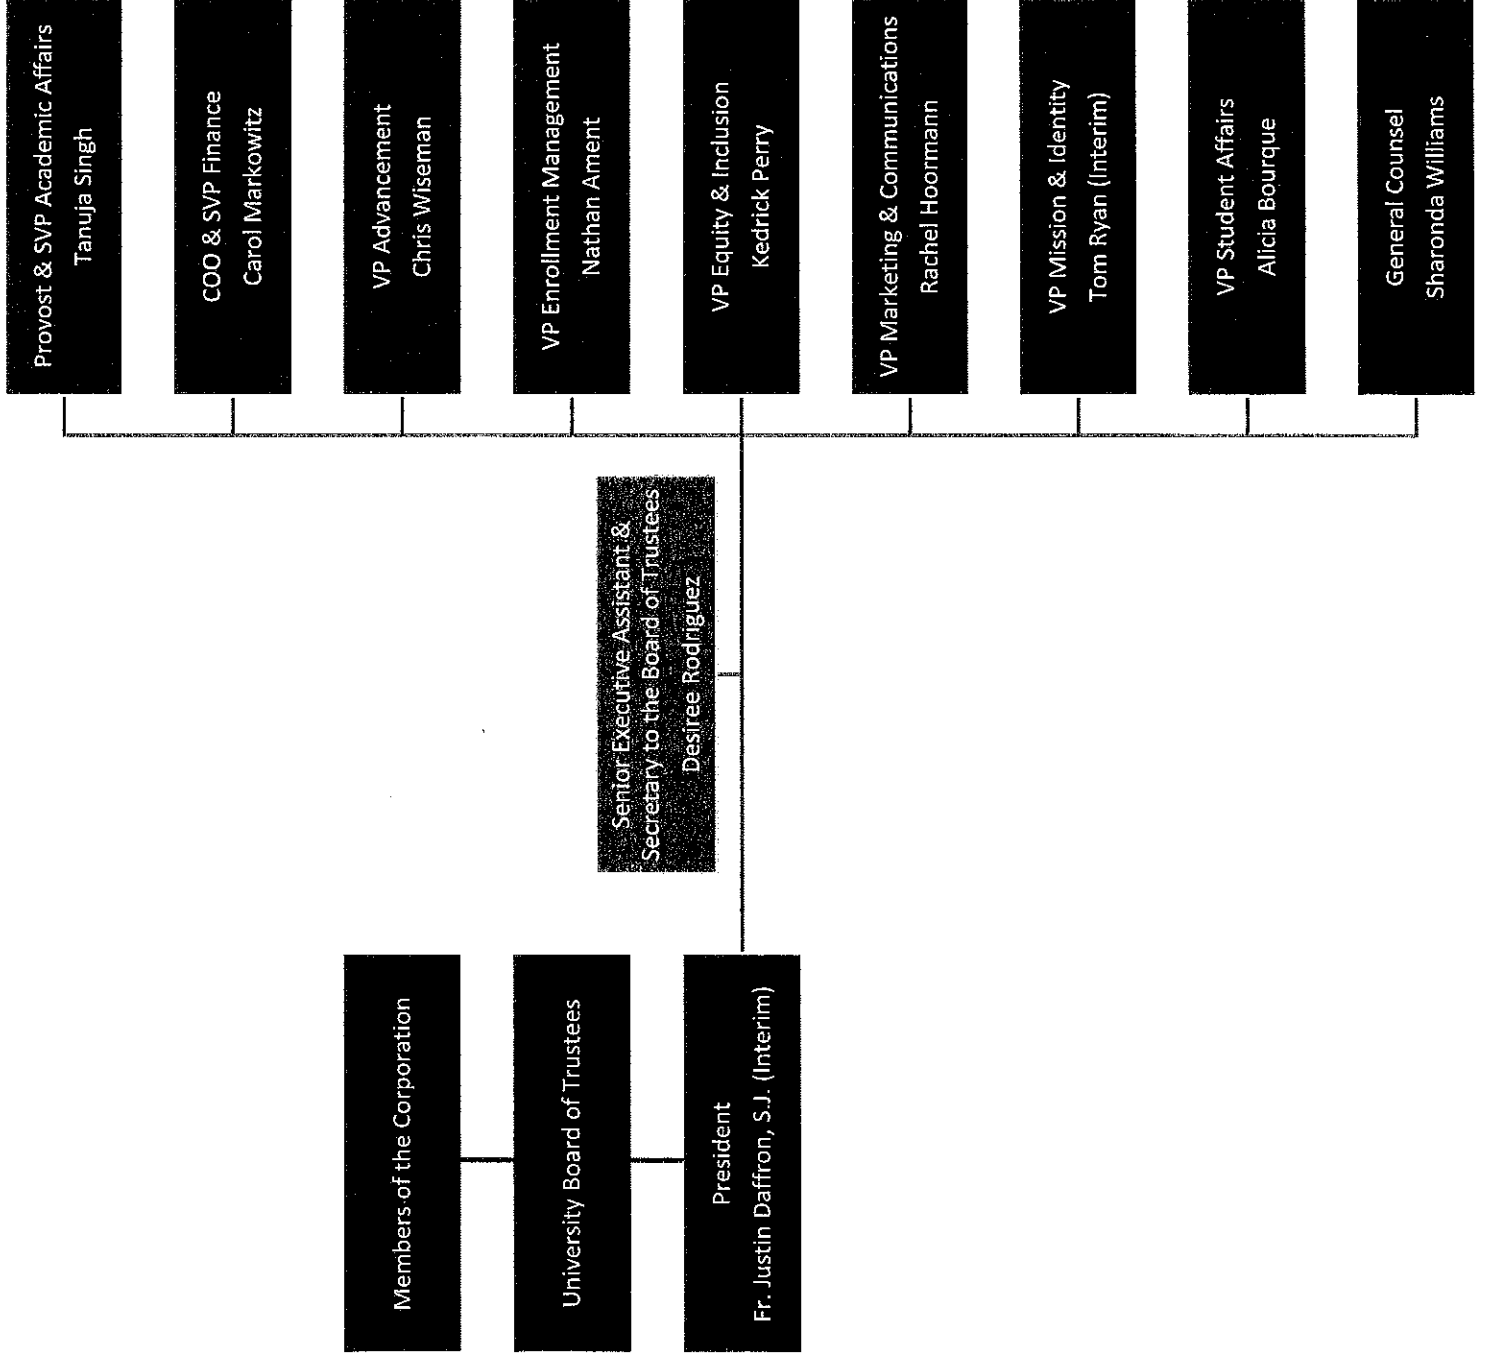

This committee will review the calendar of campus events to compile a list of events/concerts/lectures/theater productions/athletic events/etc. happening at Loyola and communicate that to the Board and other alumni. This group would be tasked with creating a nametag/pin/etc that alumni can wear when they attend various functions on campus. They could also help by contacting the chairs of each department and asking for the list of speakers/events/etc at the beginning of each semester so that we could publish that to alumni. Depending on committee volunteer interest, we may also task that committee with selecting a few events each semester at which we could host a wine & cheese/networking time for alumni attending these events.
