

2021-2022 Tuition Deferral Request Form | EMPLOYER TUITION REIMBURSEMENT

The Tuition Deferral Program allows students who qualify for an employer sponsored tuition reimbursement benefit to defer 90% of their tuition and fees until 30 days after final grades are added to a student's official transcript.

Final grades will be available to the student through LORA (www.loyno.edu/lora) for submission to their employer; however, transcripts and diplomas will not be released until final payment is made.

Students who receive financial aid may participate in the program only if there is a balance due after all financial aid has been applied (tuition deferrals will be limited to the remaining account balance).

Three Easy Steps are required to secure your deferment:

1. Make a payment equal to 10% of your total tuition and fees for the semester.
 - a. For example, if you enroll in the MSN program and register for six credit hours, your tuition will be \$4,908 and your fees will be \$225 for a total of \$5,133. You will need to pay \$513.30 in order to enroll in the Tuition Deferral Program.
2. Provide Verification **from your employer** that you are eligible to participate in your employer's Tuition Reimbursement Program. (Feel free to forward verification to us or ask your employer to send it directly.)
3. Sign, date and return this Tuition Deferral Request Form.

Please email this signed form *and* employer verification to stufinan@loyno.edu.

Tuition deferral requirements must be received, and approved, before the first day of classes.
